**NOTE:**

I feel this ordeal is very unfair,  
I do not feel that justice has been served.  
This Particular Grey Area of law, needs  
to be Perfected in Great Detail, For 13  
years as an American School child, I  
said the "Pledge of Allegiance" in that the  
Key Words "Justice for all". I now as  
an Adult see that did not exist as being  
an Employer, which Pays alot more Taxes  
than an ordinary Employee/Citizen. I don't  
Understand why?
